Peggy Vogt stated that the City Council should consider giving its TIF money to the schools instead of spending it for public improvements in The Village as currently planned.

Lonnie Heim with HBC CPAs presented the audit of the combined municipal financial statements for the fiscal year ending June 30, 2017. Mr. Heim directed the Council to the Management Discussion and Analysis prepared by the city manager, which presents financial information in an easy to understand format. Mr. Heim went over various sections of the audit report. Mr. Heim advised that the financial statements present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the City of The Village, Oklahoma, as of June 30, 2017.

After a brief discussion, Council Member Cummings moved to accept the audit of the combined municipal financial statements for fiscal year ending June 30, 2017. Vice-Mayor Wilkinson seconded the motion. The vote: Yea – Symes, Wilkinson, Bennett and Cummings. Nay – none.

Mr. Brooks also stated that the resolution approves the preliminary disclosure statement and authorizes the City Clerk to give notice of the sale of bonds.

Mr. Brooks stated that four fifths of the Council would need to be available on April 25, 2018 for a special meeting to select the successful bidder and to formally approve the issuance of the bonds. After a brief discussion, the Council agreed to meet at 4:00 p.m. on April 25, 2018.

**ITEM VII: CONSIDERATION OF RESOLUTION 03-05-2018 (B) EXPRESSING SUPPORT FOR STATE QUESTION 794, THE CRIME VICTIM RIGHTS AMENDMENT, ALSO KNOWN AS MARSY’S LAW FOR OKLAHOMA.**

City Manager Bruce Stone advised that Council Member Cummings asked that Resolution 03-05-2018 (B) placed on the agenda for consideration by the Council.

Council Member Cummings welcomed Joshua Harris back to the meeting and asked him to explain why the constitutional amendment known as Marcy’s Law is needed. Mr. Harris advised that this is not a partisan issue and that the measure has been endorsed by the District Attorney’s Association, the Fraternal Order of Police, the Association of Oklahoma Chiefs of Police as well as by many other organizations and cities.

City Manager Bruce Stone told the Council that Assistant City Attorney Jeff Sabin asked City Prosecutor Matt Love to comment on State Question 794, which could possibly affect the operations of municipal court. Mr. Stone read Mr. Love’s memorandum which advised that the Constitutional amendment would not create any additional duties or responsibilities for City staff and that the City is already doing everything that would be required by the amendment. Mr. Love wrote that he fully supports that measure.

City Manager Bruce Stone explained the recommendation of the Traffic & Safety Commission to make a 3-way stop at Lakeside and Center Street and to place stop signs for traffic exiting Juliette Lane, Nora Lane and Cavalier Lane.

A resident appeared before the Council to ask the Council to consider Orlando and Lakeside as an alternate location for the 3-way stop because it is located much further from Hefner than Center Street and would be more effective in controlling speeding. City Manager
Bruce Stone advised that traffic engineers do not recommend stop signs for speed control. Mr. Stone advised that the Commission probably chose Center and Lakeside because it carries more traffic than the intersection of Lakeside and Orlando.

A lengthy discussion ensued about the need for stops signs at the proposed locations as well as at other locations. The city manager recommended that the Council send the matter back to the Traffic & Safety Commission for further study.

Mr. Stone briefed the Council on recommended paving specifications that would be included in the bidding documents.

The city manager told the Council that the engineering tasks to be considered next would be for sidewalk improvements and park improvements. Mr. Stone advised that he would recommend that a master plan be developed for various parks. The Council agreed that developing a master plan would be a good idea. The Council also discussed activating the Park Commission that was created several years ago by ordinance.

After a brief discussion, Council Member Symes moved to approve Resolution 03-19-2018 (D) authorizing the city manager to execute agreements with Huitt-Zollars for engineering services related to the 2018 General Obligation Bond Projects, Tasks 5, 6, 7, and 9. Commission charges the City ½ percent of the amount collected on behalf of the City as administrative fee.
